

DEPARTMENT OF KAUMARBHRITYA

INTRODUCTION:

Kaumarbhritya is one among the branch of Ashtang Ayurved that deals with child health care both preventive and curative. This branch deals with Neonatal Care, Infant Feeding, Diet for Newborn, Daily and Seasonal regime mainly comprising of Nutrition of Children on basis of three age division stages which has its own importance in growth and development of children.

This branch includes Immunization under Swarnprashana Sanskara as immunity booster. Prevention and management of various neonatal or childhood disorders through Ayurveda medicine and special Bal-panchkarma procedures are the key factors in Ayurveda.

Department of Kaumarbhritya is a clinical department imparting its services under three major domains viz. hospital, academic and research activities. In addition to these, the department is actively involved in all the institutional extension activities such as Medical Camps, Swarnaprashana and also Curricular and Co-curricular activities.

The department of Kaumarbhritya is housed on the third floor of the academic block with 3 Chambers for faculties, along with seminar cum lecture hall. The department has a reference library with more than 100 books. For clinical training of students, the department is having OPD facility, Pediatric Panchakarma facility, allotted beds in the hospital and a NICU facility.

OBJECTIVES:

- To develop model teaching tools, so as to demonstrate high standards of education for use in Ayurveda institutions.
- To set highest standards of education, research, patient care in Kaumarbhritya subject of Ayurveda.
- To act as a model institution to show the strength, efficacy and popularity of Ayurveda. The institute will be used for promoting Ayurveda in India.
- To provide research facilities and quality patient care services under Kaumarbhritya specialty of Ayurveda system of medicine.

VISION:

- ❖ To develop the department into state of art Institution of Global recognition in Teaching, training and Research in Kaumarbhritya subject.

FACILITIES:

- Department is running with regular OPD.
- Special Ayurveda treatment for specific childhood disorders like Neurological, Neuromuscular disorders, Behavioral disorders and Skin disorders.
- IPD facilities available in hospital with well-trained Pediatrician.
- Arranging various child health care programmes like Suvarnaprashan camps, School health check up and medical camps.
- Bal-panchakarma procedures for Malnutrition, Neuromuscular disorders, Mental retardation, Skin disorders etc.
- Neonatal care unit and neonatal checkup in PNC ward and in OPD.
