

DEPARTMENT OF SAMHITA SIDDHANTA

Introduction:

This Department deals with the fundamental study of Ayurveda Classics named as Samhitas as well as all the principles. Samhitas are the root source of Ayurveda. The department is involved in imparting the application of concepts in diagnosis and planning treatment directly or indirectly related with the Clinical Part, which include teaching of Ayurveda Siddhant, Samhita, Ayurveda History, Darshan and Sanskrit.

The department is enabling the students to have a scientific understanding of the text with practical demonstration in all the areas of Ayurveda clinically & theoretically.

Aims and Objectives

1. To teach the students in an advanced and interesting way.
2. To impart fundamental education to the students of under-graduate.
3. To impart literary as well as clinical teaching based on the fundamental doctrines.
4. To prepare the graduates to cater to understand the basic principles of Ayurveda.

VISION-

Scientific evaluation of principles of Ayurveda. Establishment and explanation of fundamental doctrines for teaching and practice of Ayurveda.
