ABOUT US

Mansarovar Ayurvedic Medical College, Hospital and Research Centre was established in 2015 under the excellent guidance of **Hon. Brahmlen Shri Kamla Kant Tiwari Ji**, Founder, **Sri Sai Gramothan Samiti**. It was his visionary endeavors which evolved into a group of educational institutions and his dream to bring quality education to the common people's doorstep was realized.

The current CMD of Mansarovar Group of Institutions **Mrs. Manjula Tiwari** is a resilient administrator with a very tender nature for everyone and under her constant supervision the institutions ensure warmth and homely atmosphere inside the Campus for faculty and students alike.

Our CED, a dynamic young visionary, **Er. Gaurav Tiwari** went on to invest his efforts towards promoting education and establishing various courses in Central India under the Aegis of Sri Sai Gramothan Samiti and The Mansarovar Group.

Mansarovar Ayurvedic Medical College, Hospital and Research Center has been approved by NCISM, Govt. of India (AYUSH) and affiliated to the MP Medical Science University, Jabalpur. When Established, It was central India's first 100 seater Ayurvedic College for B.A.M.S. course. Today the college has become a leading institute and has commenced Postgraduate courses in three important branches (Shalakya Tantra, Prasuti Tantra Evum Stri Roga & Samhita Siddhant) of Ayurveda with excellent ultramodern infrastructure and training facilities.

SHALAKYA SAMBHASHANAM 2023

Department of Shalakya Tantra is committed to provide best available care to patients including Medical, Surgical and Para- surgical services at tertiary level. It imparts under graduate and post graduate education with the objective and approach of hands on training, patient examination, technical training in diagnosis and management along with special emphasis on Ayurvedic treatment procedures.

The department is also concerned with prevention of contagious diseases, and focuses on preventive and promotional aspects of health.

Theme of this seminar is "**Recent Advances in Shalakya Tantra**".

Ayurveda scholars can grab this golden opportunity and present their case studies, research, case series and their views in general about shalakya tantra and the topic at large. This seminar shall provide a platform to explore and exchange experiences & findings from various eminent speakers, and stalwarts in the domain. The idea is to provide deeper understanding about the subject and to update and upskill the participants.
